School District**

*Superintendent Message*

Dear SFISD Teachers and Staff:

September 10<sup>th</sup>, 2021

As tomorrow is September 11<sup>th</sup>, we want to extend a special measure of appreciation to all our first responders, police officers, and security personnel who risk their lives EVERY DAY in order that we may enjoy safety and freedom. If you have not already – please be sure to take a moment to honor these individuals when you see them today. We are truly blessed to have these servants in our schools and in our community.

We also want to offer another note of gratitude to our teachers and support staff who continue to work diligently to support our students during “the COVID era.” It has been tricky with student absences and quarantines to help support our families and overcome learning loss – but you are doing a commendable job.

On behalf of our parents, our community, and our Board of Trustees, we want to thank all of you for your unwavering commitment to our SFISD students. We encourage you to CELEBRATE even the small successes of our students! Sometimes your smile or your kind words may be all it takes to make a student’s day today :)

Have a safe and blessed weekend,  
KB

*Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.*
