

Santa Fe Safety & Security Committee Meeting Minutes
October 8, 2019
Cowan Training Room 1
5:00 p.m.

Members Present: Bob Wylie, Gary Forward, Garrett Foskit, James Grassmuck, Ryan Kopp, Walter Braun, Leigh Wall, Laura Norman, Beth Yorlano, Jackie Shuman, Patti Hanssard

Welcome-Chief Braun welcomed the members of the committee.

Review of Senate Bill 11-Emergency Operation Plan Requirements- One of the requirements of the committee is to meet three times a year. One was held in the summer and the other meetings will be one in the fall semester and one in the spring. However, sub committees can meet more if necessary and if necessary the full group can meet if needed.

Chief reviewed Senate Bill 11 with the committee. The Bill now requires that all School District Peace Officers employed or contracted for the District must meet mandatory training by the Texas School Safety Center. Must be in compliance by August of 2020.

The Bill has added Prevention with Preparedness, Mitigation, Response and Recovery. Prevention has not yet been defined by the Texas School Safety Center.

Training must include substitutes. Chief shared that no substitutes are activated to work until they receive the training. Must have access to phones.

The Safety & Security Allotment is included in this bill and is \$10 per student. There are also provisions in the law for individuals with Disabilities. Garrett Foskit suggested that possibly a sub-committee of parents with students with disabilities have input on the different hazards. Dr. Wall shared that we have individuals on our staff who can advise. She also stated that the input from parents is also of value.

Trauma Informed Care and Suicide Awareness must be a part of training. Dr. Wall shared that we are working with our Mental Health Partners to provide guidance on this training.

Law requires that all threats that present a danger to students or a facility be communicated with parents.

In the plan, there also needs to be a list of those serving on the committee. The make-up of the committee should be:

- One or more representatives of an office of emergency management of a county or city
- One of more representatives of the local police department
- The President of the District's Board of Trustees
- A member of the District's Board of Trustees

- The District's Superintendent
- One or more designee of the District's Superintendent, one of whom must be a classroom teacher in the District
- Two parents or guardians of students enrolled in the District

The committee shall be charged to:

- Provide the District with any campus, facility or support services information required in connection with a safe and security audit
- Review the Emergency Management Plan and submit the report to the Texas School Safety Center
- Consult with local law enforcement agencies on methods to increase law enforcement presence near district
- Committee shall meet at least once during each academic semester and at least once during the summer; must meet at least three times during each calendar year, with an interval of at least two months between each meeting

Safety and Security Initiative Update

Chief reported that we have 14 full time officers. We currently have 8 security assistants. An additional police officer was added for the replacement of two security assistants.

We have added an additional two hundred fifty six cameras throughout the District. We have two security assistants who provide real time monitoring.

We have localized alarms and doors are monitored. Safety vestibules are updated. Added emergency management module for Raptor.

The District currently has Stop The Bleed Buckets for all classrooms in the high school and junior high and ten at Kubacak elementary.

Mr. Wylie asked about training. Chief stated that all new employees including the substitutes this year were offered CRASE and Stop the Bleed. Mr. Wylie asked about the possibility of the kids being trained. Mrs. Yorlano shared that all Safe School Ambassadors at the high school were trained with Stop the Bleed. That is approximately 50 students. Laura Norman shared that the Office of Emergency Management provides CPR training free of charge.

The Police Department has developed a book with all maps of the campuses and facilities. They have also provided Critical Incident Kits containing map books and master keys for all Emergency Response Personnel. There is one kit per building.

In the emergency plan, the Police Department is going with the Standard Response Protocols (love you guys) Reunification plan for the Reunification Center.

Fire alarms and upgrade PA system, have Mutual Link in operation (mass notification to Emergency Response System). Barnett has an enhanced voice system.

Social media monitoring was originally Social Sentinel, but we will no longer be using this system. Dr. Wall said that we do have Gaggle that monitors internally our social media and email. Mr. Grassmuck also said there is a monitoring program called Barracuda. Dr. Wall shared that Gaggle is a three year granted program.

Facial recognition software is up and running.

Parents on Patrol had twenty five participants. Currently, there are six members.

Tribal Tips in the past few months has picked up a little.

Threat Assessment Teams are active.

Training Information

All employees including substitutes take CRASE and Stop The Bleed. In addition, there are 21 trainings in SafeSchools that are mandatory, compliance training including:
