Back-to-School 2019

A message from Superintendent Dr. Leigh Wall

Welcome to the 2019-2020 school year! We are looking forward to a great year for the students, staff, and families of Santa Fe Independent School District. We are very fortunate to be a part of this wonderful community with shared values and genuine love for our children. Together, we have the unique opportunity to shape and mold the future for our students. Our desire in Santa Fe ISD is to offer every opportunity possible for our students to follow their dreams and excel in their chosen life paths as valuable contributors to the community and society.

Our mission in Santa Fe Independent School District is to Prepare all students of our learning community to Achieve and Succeed through innovative strategies and collaborative relationships. The key words of Prepare, Achieve, and Succeed highlight direction for our students. Through supportive relationships, collaboration, and innovation our approach in accomplishing this mission ensures that we remain responsive to student, staff and community needs in order to provide the very best education for every student.

In Santa Fe ISD, our students have numerous academic opportunities to ensure that all students' needs are met and that they are prepared for their future, including advanced coursework, dual enrollment courses, enrichment programs, career and technology certification programs, as well as extracurricular programs of athletics and fine arts. We also have a strong focus on literacy and numeracy, as we strive to build stronger readers, thinkers, problem solvers and learners. In SFISD, we offer a wide range of options and services that support the total child, including social/emotional supports, college and career counseling and access to physical and mental health resources and support at every school.

The many accomplishments of our students and staff reflect our strong commitment to continuing the rich heritage and tradition of this community while looking to a bright future for our district. We have so much to be proud of in Santa Fe Independent School District, and it is primarily the individuals that make up the schools and community that define us and our aspirations for our children. We remain committed to realizing excellence in achievement, with high expectations of success from every student and adult in our district.

We very much appreciate your support in education as we work together to strengthen our great schools in Santa Fe ISD and build future successes for our children! Our Board of Trustees along with administrators, teachers, and staff are excited about this upcoming school year and are equally excited to work together to accomplish goals and outcomes for all of our students. We look forward to this school year with great hopes and dreams for every one of our precious children in Santa Fe Independent School District every day! Thank you for being a part of our Indian tradition and in contributing to our legacy of the future.

2019-2020 School Board Meetings

SFISD SELECTED AS A SEMI-FINALIST FOR THE 2018 H-E-B EXCELLENCE IN EDUCATION AWARDS

This is the fifth year for Santa Fe Independent School District to be nominated for the district award. In response to SFISD's District Application, Jill Reynolds, H-E-B Public Affairs Manager, commented, "Obviously, our readers were very impressed by your written comments and your extensive professional accomplishments." We are extremely honored to have been selected, once again, as a Statewide Semi-Finalist. As a Semi-Finalist, the district was awarded \$500.00 in H-E-B gift cards.

A strong commitment to students and individual student successes in many areas is a priority for all involved and will serve as guidance and direction in determining how the funds will be utilized for student success striving toward Excellence in Education.

H-E-B launched the Excellence in Education Awards program in cooperation with the Texas Association of School Administrators in 2002 as a positive way to support public education in Texas. It has become the largest monetary program for educators in the state, spotlighting best practices and celebrating the passion and creativity of Texas educators.

Exciting news!! Each SFISD campus will offer an exciting after school opportunity for children to investigate Science - Technology - Reading - Engineering - Art - Math (STREAM). The program adds a reading and art component to STEM education to provide a well-rounded learning experience.

The program brings in partners from the University of Houston Clear Lake, NASA, and Microsoft. Along with after school activities, there will be Science Saturdays and summer options.

Why STREAM? Whether a child grows up to be a scientist, a designer, an engineer, or a business leader, every future career requires motivated, creative, and innovative thinkers who can solve problems and communicate ideas. Today's students are our future leaders and we need to ensure that they have the skills required to tackle the problems of tomorrow.

Further details will be coming soon!

Online Registration: July 31st through August 18th

The First Day of School is Monday, August 19!

All students at all campuses will be required to present Proof of Residency to be enrolled in Santa Fe ISD Schools. Please see the Back to School 2019-2020 Info link on the SFISD website (www.sfid.org -> Parents) for all enrollment and registration information for new and returning students.

Santa Fe ISD Online Registration will be open July 31st through August 18th for the 2019-2020 school year! A Family Access account will be required to complete online registration. Families new to the district will receive their parent account information via email after they have turned in their completed New Student Enrollment Packet, which can be downloaded from the website or picked up at any campus. For families that are returning to the district, continue to use your existing Family Access parent account. If you do not remember your parent account information, please contact your student's campus or use the 'password reset' link on the Family Access login page. You will receive your login information via an email from "donotreply@sfisd.org", so be sure to check your SPAM/junk mail filters for those emails.

*Online registration must be completed for each student before schedule pick up (teacher assignment).

Once you have completed the online registration, you will need to bring the following to your child's campus on the posted dates, which are listed on sfisd.org website:

- Online Registration Completion Page (last page of registration with all items checked) – printed after completing registration
- Proof of Residency – a current utility bill or mortgage statement with service address and parent or guardian's name (see website for acceptable proof of residency)
- Updated Shot Records – as required for current age of child.

You will find more information on the following pages. If you have questions, please contact your child's campus directly.

STUDENT PARKING PERMITS

All students who park a motor vehicle on school property, including motorcycles, are required to register their vehicles with the District by purchasing a student parking permit. Student parking permits must be renewed each school year.

Permits may be obtained at grade level registration and at other times in the high school police office. Permits are \$20.00 from registration through the tenth day of school. The cost increases to \$25.00 after the tenth school day, unless the student is a newly licensed driver.

Students must show proof of a valid driver's license and proof of financial responsibility (liability insurance) at the time of the permit's issuance. Permit applications may be obtained from the high school front office, from the SFISD Police Department website, or from any campus police officer.

It is the student driver's responsibility to register his/her vehicle, and to display a valid parking permit for the current school year. Vehicles parked without a valid student parking permit may be towed at owner's expense

The Santa Fe Texas Education Foundation was founded in 2010 with a goal to enhance the education of our students by providing innovative, education programs.

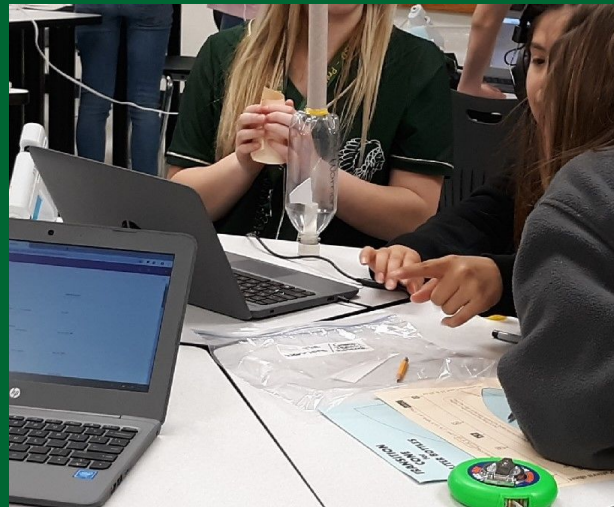

The school district's public funding covers the basics of educating our children. However, the Foundation, and its donors, fund:

- New Books for ALL Campus Libraries -
- Science-Technology-Engineering-Math Activities District-Wide -
- Robotics Club & Compass Mentor Program at SFJH -
- Many Other Projects for Educators who Apply for a Foundation Grant -
- NEW After-school & Summer STREAMing Program Launching Soon! -

We hope to see you at an event this year!
October 25: McRee Ford Drive 4UR School
Everyone, 18 and older, is welcome to visit the SFHS parking lot from 10 to 3 and take a quick test drive in a new Ford. Our goal is 300 drivers, which results in a \$6,000 donation from Ford that will fund classroom grants!

February 6, 2020: Annual Gala
This is our annual campaign celebration, and this year we will be celebrating our 10th Anniversary. Please mark your calendar!

Fall 2020: Our annual Fun Run & Helicopter Drop is moving to the Fall!

COMPASS

Compassionate Outreach. Modeling
Positive Actions. Supporting Students

There are many opportunities for individuals to share their time and talents with students and staff of the school district.

All adults who volunteer in our schools, chaperone on fieldtrips, or interact with students during extra-curricular activities will be subject to a Texas Criminal History background check.

The campus you want to be involved in will provide you with an application that must be submitted no later than 10 days in advance of the scheduled trip or volunteer work day. Any applicant who will be chaperoning an event in which they will be independently supervising students or chaperoning an overnight trip is required to be fingerprinted at the volunteer's expense. There are no exceptions to this rule. An applicant shall not be allowed to volunteer in the schools until the designated administrative personnel have evaluated the background check. Any parent or guardian not approved as a chaperone must provide their own transportation to the event or function, and may attend the function and accompany their child only. They may not supervise other students who are in attendance.
