## Returning Student Schedule Pick Up

Registration dates for returning students who have completed online registration and for parents/guardians needing computer assistance at campus labs.

These dates will include turning in proof of residency and schedule pick up. **You may upload proof of residency while completing online registration.**

All new students will be required to present proof of residency during time of enrollment, prior to being provided login information to complete online registration.

\*Students who miss their assigned schedule pick up day can come on this day to drop off proof of residency and receive their schedule.
