

WELCOME TO  
SANTA FE INDEPENDENT  
SCHOOL DISTRICT

High School Art Students participated in the visual Art scholastic event. They received 7 superior and 14 excellent awards.

Congratulations to the Tribal Belles on a very successful competition season. The Belles received many awards for their hard work and dedication over the past 3 months.

The Santa Fe High School Choir attended the annual UIL Solo and Ensemble contest. A total of 7 medals were awarded to our students. Of these 7 students 6 will advance to state Solo and Ensemble contest.

Congratulations to the Santa Fe Junior High History Fair State Qualifiers.

By reaching out, we are able to create strong bonds between our students and community. On Monday, February 16, 2015, a district student holiday, two students Mycahla Howard and Jeremy Sheppard through donations they received by their fellow students went to Houston to deliver snacks bags, warm clothes, blankets and sleeping bags to homeless individuals living on the streets. They delivered thirty five (35) drawstring backpacks filled with a sack lunch as well as warm clothing, socks, and puzzle books. Before Christmas, Madelyn Rozycki, along with support from the community, SFJH, SFHS and UTMB collected over 100 brand-new blankets for the children on the cancer floor at Texas Children's Hospital. This only comes as a wonderful result of a community that donates time and resources to help bring smiles to those less fortunate.

We are very proud to congratulate Lindsey Foley on her completion of courses, and she has earned her TASBO certification as a Texas School of Business Specialist.

Congratulations to SFISD March Employees of the month.
