

School Health Advisory Council Minutes

Date: June 2, 2020

Start Time: 1:05 pm

End Time: 1:20 pm

Present: Monica McCollum, Jodi Nash, Cherie Bowers, Becky Wright, Elizabeth Yorlano

- I. Meeting called to order by Jodi Nash, RN. Meeting hosted virtually due to COVID-19.
- II. Nursing – discussed nursing department’s efforts to review and update its policies and procedures to meet student and staff health needs.
- III. Student Health – discussed district’s increase in sanitation and efforts to establish policies and procedures for graduation and summer programs.
- IV. Nutrition – discussed the department’s continuation of providing meals through July 2nd. Due to lack of transportation during July, discussed consideration of returning a pick-up destination with 5 breakfasts and 5 lunches picked up in a single visit per child.
 - a. 1,461 kids scheduled for meal service
 - b. More than 124,000 meals served in April & May
 - c. Estimated 60,000 meals for June at this time
- V. Counseling Services – discussed counselors offering mental health support through Summer with The Summer Chill, a virtual support for mental health and self-care.
- VI. Employee Health – discussed transitioning from daily in-person health screens to health questionnaires. Discussed Employee Open Enrollment with new third-party Administrator with promising support to include seminars of explanation of benefits, bilingual versions, and interfacing with Skyward
- VII. Meeting adjourned
