- Nursing and Nutrition Services participated in the Texas City/La Marque Community Health and Safety Fair.
- The nurses in conjunction with Masonic Lodge Fantastic Teeth Program provided all 1st graders with a free tooth care kit containing a tooth brush, tooth paste, dental floss, and a timer to help teach them the importance of brushing their teeth.
- Nursing hosted a diabetic training seminar including Santa Fe employees, along with Dickinson ISD and Hitchcock ISD.
- The high school clinic sees all athletes for illnesses and if they are sent home due to an injury they are sent home through the clinic.
- All Santa Fe employees receive on-line education through Safe Schools Training including: Blood Borne Pathogen, Seizures, Diabetic, Allergy Education and Concussion Protocol.
- Concussion education training by all nursing staff and coaches on Safe Schools.
- Nutrition Services sends out a Student Nutrition Newsletter monthly Pre-K through 5th grade.
- SHAC has continued to review our local wellness policy and are beginning to develop acceptable methods to provide the materials and information of our local wellness policy to families and other members of the school community, with posting and assessment of its implementation on the district website.
- All student visits to the clinic are entered into Skyward.
- All student injuries are also entered into Skyward.
- All student medications and health procedures are documented in Skyward.
- All staff visits are entered into a spreadsheet shared by nursing department on OneDrive.
- The Nurses have added IHPs (Individual Health Plans) in Skyward.
- Immunization reports are run monthly to ensure all students are current on their vaccinations.

- Parent letters were mailed home to notify parents of upcoming vaccinations their student will need prior to the return of next school year.
- Nurses will continue to encourage community participation with SHAC and plans to increase community participation are in progress.
- Nursing continues to add to staff education regarding health concerns.
- Hand washing instruction and Cover Your Cough posters displayed on each campus.
- Employee health fair in January was a success with 97 employees attending and 26 vendors.
- Multiple health improvement opportunities initiated by Becky Wright, Employee Benefits Coordinator.
- Nursing continues to partner with VSP for Sight For Students to provide a free vision exam and free glasses to low income and uninsured students.
- Nutrition Services held a family fun walk night on Thursday Sept. 28, 2017 on the JH track to promote family health and wellness.
