A parent involvement committee consisting of teachers, parents, counselors, and administrators met on November 27, 2018 to develop and agree upon this written policy.

This policy establishes the following:

- expectations and activities regarding parent involvement;

- ensures parents are notified of the policy in a language and format they can understand;
- is made readily available to all;
- is updated periodically to meet the changing needs of parents, students, and staff.

This Campus Parental Involvement Policy has been developed jointly with, and agreed upon with, parents of children participating in Title I, Part A programs.
