Next meeting: TBA

Meeting called to order at 5:00p

1. Introduction of Crea8 Architects

Dr. Wall welcomed and thanked everyone for attending. She then introduced the architect for the upcoming bond project.

2. **Crea8 Architect**, Mr. George Watanabe presented his partners from his firm along with their specialty. He also shared a power point presentation. They shared the firm's vision of a 21st century elementary school. Highlights of an innovative elementary school include shared activity spaces, "beyond the wall" outdoor learning areas, color and light, flexibility and flexible technology.

They also shared their virtual reality capabilities, they use a mobile design center so that all changes can be made in real time, and all changes are instant and interactive. They also use a share file folder that we will be linked to.

3. Discussion

Discussion regarding the different committees available to participate on. There were sign-up sheets available for all to choose and sign up.

Meeting adjourned at 5:55pm
