WHEREAS, libraries and librarians are looking beyond their traditional roles and providing more opportunities for community engagement and deliver new services that connect closely with patrons' needs;

WHEREAS, libraries support democracy and effect social change through their commitment to provide equitable access to information for all library users regardless of race, ethnicity, creed, ability, sexual orientation, gender identity or socio-economic status;

NOW, THEREFORE, be it resolved that Santa Fe ISD Board of Trustees proclaim National Library Week, April 7-13, 2019.
