

SFISD Engraved Brick Walkway

Don't miss your chance to become a part of history!

The newly renovated Elizabeth Yaws Cowan Education Center features an engraved brick walkway. This is a great opportunity to create a permanent commemoration for your family and friends, and support student programs throughout the district. The bricks make nice gifts or memorials. This is tax-deductible donation to SFISD's Education Foundation that benefits our students.

Bricks are installed each summer until no more spaces exist.
