

Santa Fe ISD Bus Safety Stop Arm Enforcement Program

SFISD's first priority in the transportation program is the safety of our students. Santa Fe ISD and the City of Santa Fe are participating in a cooperative effort to improve the safety of students boarding and departing the school bus. In an effort to increase student safety, the City of Santa Fe passed an Ordinance in 2019, allowing for camera enforcement of school bus stop arm violations. SFISD currently has 10 buses with Stop Arm cameras.

What do I do when the school bus stops and the **flashing lights** come on with the **stop sign** out?

- Two Lane Undivided Road
All traffic in both directions stops.
- Multiple Lane Road with no Physical Divider or Median
All traffic in both directions stops, including the turning lane.
- Multiple Lane Road with Physical Divider or Unpaved Median
Only traffic traveling the same direction as the bus must stop. Traffic traveling in the opposite direction may proceed with caution.
