REACH

DIGITAL SIGNAGE SOFTWARE

Reach is Santa Fe ISD's newest digital signage platform that provides students, staff, and visitors with the most up-to-date announcements. Each monitor is customizable and can instantly display upcoming events, weather information, countdown to the next class and much more.

WHERE Barnett Elementary was the first SFISD campus to implement Reach. More Campuses are soon to follow.

WHEN SFISD Technology Services is working on a 1-2 year deployment plan, targeting front offices, Cafés and hallways.

WHO SFISD Reach Team includes members from Technology Services, SFHS CTE Students, and a campus contact(s).
- ❖ Jonathan Stanton - Reach Lead
- ❖ Jodi Montemayor – Reach Coordinator

HOW Once deployed, creating content to display is easy!
- ❖ Assign a Reach contact for your campus to work with the SFISD Reach Team!
- ❖ Work with the team to design a template
- ❖ Keep the team up-to-date on upcoming events and announcements
- ❖ Submit requests through Eduphoria or send e-mail to the Reach Team
