

# Santa Fe Junior High Campus Compact

## 2018-2019

### What is a Campus Compact?

A campus compact is an agreement that parents, teachers, counselors, administrators, and students develop together every year to ensure success and achievement for all students.

## PREPARE, ACHIEVE, AND SUCCEED!

### Focus Area #1

#### Increase Academic Achievement

As a Junior High Campus, we will provide teachers with professional learning opportunities, content vertical alignment, and time to analyze student data to help with structure of academic instruction.

As teachers, we will provide information to parents and students about the importance of academic success in all core subjects. We will offer information for our Junior High Students regarding State Assessment requirements and the AVID program. We will also provide opportunities for connecting academics beyond the classroom by hosting a STEM night, an ESL night, and other academic led nights as well as providing student led conferences.

As parents we will encourage our students to practice skills in all core subjects at home and encourage our students to participate in all academic classes. We will attend open house, student led conferences, STEM nights, as well as other nights focused on our academic growth.

### Communication about Learning

Santa Fe Junior High is committed to providing regular communication with families about student learning!

District Website ★ Teacher Portals ★ E-Mail Call-outs ★ Newsletters ★ Phone Calls Parent/Student Conferences ★ Remind

### Building Partnerships

We strive to offer ongoing events and programs to provide parents and students access to our staff!

Open House ★ Student Led Conferences  
STEM Night ★ Various Field Trips ★ ESL Night ★ Elective Fair ★ National Night Out

### Focus Area #2

#### Increase Student and Parent Involvement

As a campus, we will provide multiple opportunities to involve parents as partners at the campus levels. We will also identify barriers and work toward making parents our partners in education.

As teachers, we will commit to multiple means of communication such as Remind, Parent Conferences, phone calls, teacher portals, and Skyward to communicate all information of events or academics that are being covered in classes.

As parents we will commit to being involved in our student's education by attending student led conferences, nights dedicated to academics, student award ceremonies, extra curricular activities such as dances, field trips, or any other events that occur on the campus.
