Superintendent Message

Dear SFISD Community:

April 7, 2017

*“Live with the objective of being happy!”
Anne Frank*

National Library Week is recognized April 9-15, 2017, as a time to celebrate the contributions of our librarians and libraries in our schools and community! The theme of ‘Libraries Transform,’ highlights the many transformational contributions that our librarians and libraries offer our students and staff. SFISD libraries are continually increasing resource circulations, and therefore, access to literacy, literature, research and many activities that support learning. Please join us next week in thanking and acknowledging the work of our librarians and our libraries and the impact they have on our students and education.

R.J. Wollam – Ann Eckermann

We appreciate our SFISD Librarians and libraries!
