END TIME: 4: 30

PRESENT: Carol Nelson, Delma Bradford, Greta Hancock, Charlotte Dickerson, Cherie Bowers

Meeting called to order

Texas City/La Marque Safety and Health Fair—Took place on October 4, 2014 Santa Fe ISD was a part of this again this year. Ms. Bowers and the Food and Child Nutrition Dept. had a display. They included a visual display this year that showed HOW TO GAIN 5LBS IN 30 DAYS. (ONE CANDY BAR AND TWO SOFT DRINKS/DAY).

We discussed breakfast at the Jr. High level again this year hoping to have sack breakfast/remote breakfast stations or carts so that students will take breakfast with them. Statistics show that students that eat breakfast have better attendance and do better academically.
