AP Human Geography Summer Assignment

AP Human Geography is not a traditional geography class. Instead of learning about the locations of physical and political features, this course focuses on the interactions between humans and their environment and between human populations. As a prerequisite for this course (your summer assignment), AP Human Geography students are expected to enter class with a basic understanding of the physical and political geography of the world. As well as, as base knowledge of the first unit's terms that we will be studying in class. There are seven units in AP Human Geography, and you will be tasked with completing Unit 1 terms before school begins.

To ensure that students are adequately prepared for geographic requirements, students are tasked with their summer assignment for AP Human Geography, with being able to identify the locations of a series of physical and political arrangements in our world and defining Unit 1 terms. **Task**: Students are to identify, review, study, and memorize the locations of the political and physical arrangements provided on the lists to follow. Students are to define or describe the following list of Unit 1 terms. Students will be assessed on this information within the first few weeks of school. **Tips**: DO NOT PROCRASTINATE – you have the entire summer to do this, do a little at a time. This is not an assignment that can be completed at 2AM the night before. Students should download and complete the required identifications on the various maps provided. Students should use Quizlet or other methods for defining the attached list. When searching for definitions for AP Human Geography, it is extremely important that students indicate in their search that they want the AP Human Geography definition. For example, you would type into Google, "What is the definition of ______ in AP Human Geography". Often times this will result in a Quizlet (these are a great resource to use).

Students should utilize the many resources the internet provides for map memorization and Unit 1 terms. Again, students will be assessed on this information within the first few weeks of school. Each student MUST attain at least the minimum passing score of 70%. Students who score below a 70% will be required to retake the exam until the minimum standard is achieved. Enjoy your summer and I look forward to meeting all of you at the start of the new school year.

Best wishes - Your AP Human Geography Teacher

AP Human Geography Summer Map Packet Instruction Sheet

<u>DIRECTIONS</u>: Find and label the political entities and physical features listed below. Please, only use the maps provided for this assignment. Be sure to mark items on the appropriate map, as indicated. <u>Use the colors and symbols described at the end of this packet</u>. DO NOT place letters or numbers on your map. If you cannot fit a name on your map, draw lines and write the name out to the side. All labels should be NEAT and horizontal. Pace yourself so that you have plenty of time to complete this assignment AND to enjoy your summer!

- A. North America: Complete the following steps on the North America map.
 - a. Label each of the territories of Canada:

i. New Brunswick
ii. Prince Edward Island

iii. Nova Scotia

iv. Newfoundland and Labrador

v. Quebec

vi. Ontario vii. Manitoba

b. Label the United States

c. Label the following major cities

i. Washington D.C.

ii. Ottawa

iii. New York City

d. Label and color the following physical features:

i. Rocky Mountainsii. Lake Superior

iii. Lake Michigan

iv. Lake Huronv. Lake Erie

vi. Lake Ontario

vii. Pacific Ocean

viii. Atlantic Ocean

- 3. Central America: Complete the following steps on the Central American Map:
 - a. Label each of the following countries:

i. Mexico

ii. Guatemala

iii. Belize

iv. El Salvador

v. Honduras

vi. Nicaragua

vii. Costa Rica

- b. Label the following major cities:
 - i. Mexico City
 - ii. Havana
- c. Label and color the following physical features:

i. Gulf of Mexico

ii. Pacific Ocean

iii. Atlantic Ocean

iv. Panama Canal

- C. South America: Complete the following steps on the South American Map:
 - a. Label each of the following countries:

i. Colombia

ii. Peru

iii. Venezuela

iv. Guyana

v. Suriname

vi. French Guiana

vii. Ecuador

- b. Label the following major cities:
 - i. Sao Paulo
 - ii. Bogota
- c. Label and color the following physical features:

i. Pacific Ocean

- ii. Atlantic Ocean
- iii. Andes Mountains
- iv. Cape Horn

viii. Saskatchewan

ix. Alberta

x. British Columbia

xi. Yukon Territory

xii. Northwest Territories

xiii. Nunavut

- iv. Chicago
- v. Toronto

ix. Great Basin

x. Great Plains

xi. Appalachian Mountains

xii. Gulf of Mexico

xiii. Mississippi River

xiv. Great Salt Lake

xv. Atlantic Ocean

viii. Panama

ix. Cuba

x. Jamaica

xi. Bahamas

xii. Haiti

xiii. Dominican Republic

xiv. Puerto Rico

- v. Baja California
- vi. Yucatan Peninsula
- vii. Isthmus of Panama
- viii. Brazil
- ix. Bolivia
- x. Paraguay
- xi. Chile
- xii. Argentina
- xiii. Uruguay
- iii. Lima
- iv. Rio de Janeiro
- v. Amazon River

Africa: Complete the following steps on the African Map: a. Label each of the following countries: i. Morocco xxvii. Benin ii. Algeria xxviii. Nigeria iii. Egypt xxix. Cameroon Central African Republic iv. Tunisia XXX. ٧. Libya xxxi. **Equatorial Guinea** Western Sahara vi. xxxii. Sao Tome & Principe vii. Mauritania xxxiii. Gabon Mali Congo viii. xxxiv. ix. Niger Democratic Republic of the Congo XXXV. Chad Uganda xxxvi. х. Kenya xi. Sudan xxxvii. xii. South Sudan (not in the atlas) xxxviii. Rwanda xiii. Ethiopia xxxix. Burundi xiv. Eritrea Tanzania xv. Djibouti xli. Angola xvi. Somalia xlii. Zambia Malawi xvii. Senegal xliii. xviii. Gambia xliv. Mozambique xix. Guinea-Bissau xlv. Madagascar Guinea xlvi. Namibia XX. Botswana xxi. Sierra Leone xlvii. Liberia xlviii. Zimbabwe xxii. xxiii. Cote D'Ivoire xlix. Swaziland I. Lesotho xxiv. Burkina Faso XXV. Ghana li. South Africa xxvi. Togo Label the following major cities: i. Cairo Kinshasa iv. ii. Khartoum Lagos iii. Johannesburg Label and color the following physical features: i. Nile River vii. Mediterranean Sea Congo River Red Sea ii. viii. iii. Lake Victoria ix. Sahara Desert iv. Lake Chad Strait of Gibraltar v. Indian Ocean Cape of Good Hope vi. Atlantic Ocean xii. Suez Canal Middle East: Complete the following steps on the Middle East Map: a. Label each of the following countries: i. Afghanistan Iran х. Kuwait ii. Egypt xi. Bahrain iii. Turkey xii. iv. Cyprus xiii. Qatar Lebanon **United Arab Emirates** ٧. xiv. vi. Israel XV. Oman vii. Jordan xvi. Yemen viii. Iraq xvii. Syria ix. Saudi Arabia Label the following major cities: i. Mecca (Makkah) iii. Cairo ii. Medina Tehran iv. Label and color the following physical features: i. Arabian Peninsula vii. Dead Sea ii. Sinai Peninsula viii. Persian Gulf Mediterranean Sea Strait of Hormuz iii. ix. Caspian Sea Nile River Red Sea **Tigris River** vi. Arabian Sea **Euphrates River** South Asia: Complete the following steps on the South Asia Map: a. Label each of the following countries:

iii. India

iv. Sri Lanka

i. Afghanistan

Map Labeling Instructions

- All writing should be **straight and horizontal**
- Use **arrows** to show small locations or features don't try to cram the name into a small space!
- Color the feature as directed and write the name in black.

Map Feature	Symbol and Color
Country	Label
Rivers	Red line that follows the river's course
Mountain Peaks / Individual Mountains	Brown triangle inside a brown circle
Mountain Ranges or Hills	Line of brown triangles
Deserts	Yellow circle covering the feature
Plateaus	Green circle covering the feature
Plains	Purple circle covering the feature
Peninsulas	Orange circle covering the feature
Bodies of Water (lakes, waterfalls, oceans, channels, gulfs, canals, straits, bays, seas)	Outline the edges only in blue
Any Other Features Not Described Above	Label in black
