

Map Labeling Instructions

- All writing should be **straight and horizontal**
- Use **arrows** or **numbered lists** to show small locations or features – don't try to cram the name into a small space!

Map Feature	Symbol and Color	Color
Country	Label	
Rivers	Red line that follows the river's course	
Mountain Peaks / Individual Mountains	Brown triangle inside a brown circle	
Mountain Ranges or Hills	Line of brown triangles	
Deserts	Filled yellow circle covering the feature	
Plateaus	Filled green circle covering the feature	
Plains	Filled purple circle covering the feature	
Peninsulas	Filled orange circle covering the feature	
Bodies of Water <small>(lakes, waterfalls, oceans, channels, gulfs, canals, straits, bays, seas)</small>	Outline the edges only in blue	
Any Other Features Not Describe Above	Label in black
