October 2014

Our students have come with so much energy and enthusiasm this school year. They have worked hard this month of school to learn many new skills and have displayed amazing behavior. Classrooms have already participated in a TRIBE token contest, fire drill, anti-bullying program, technology, science labs and much more. We are seeing our students shine each day and put forth so much effort to be successful. October is a busy month and we will continue to communicate with you through call outs and Family Access email. © *Destini Martin, Principal*

Our **TRIBE** word for the month is **TRUSTWORTHY**. **October is National Bully Prevention Month!**
